Michael

Per today's call per your request I submit the attached Request for Hearing and Waiver of the above subject matter.(M1616200002) and

Verification of cancellation of #50200268120. Please cc me on all communication traffic. Thank you for your assistance and support.

Please note that I did submit my Request for Hearing and Waiver by overnight FEDEX on 06/23/2016 within the 15 day requirement. However, the address reflected on the Billing communication is incorrect because my submission was returned undeliverable due to incorrect address of recipient and or lack of suite # or apt #. Upon inquiry the Help desk response was that the zip code provided (20460) within the billing documentation should have been (20004). An update should be applied.

THANK YOU
